CLAIM 1 IS PENDING

1. The following is an examiner's statement of reasons for allowance:

A number of the elements of the claim are well known in the art including the Document Object Model (DOM), file navigation with thumbnail sketches, index cards, pop-up windows. The discussion on pages 11-12 of the Specification is a fair teaching of the prior art and the distinctions of the claimed invention. The particular combination of a DOM stream displayed in card format (browse cards) within pop-up windows (glance views) in response to the passing-over of a cursor is neither anticipated nor suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Wayne Amsbury whose telephone number is 703-305-3828. The examiner can normally be reached on M-TH 7-5.
